

Leonardo Francesconi

## PROFILE:

Hello, my name is Leonardo Francesconi, born on 12/11/1998 in Lucca.

I currently live in Pavia, I'm mainly dedicating myself to mine strong passion for the land and nature. At the same time I dedicate myself to

writing and theatre, of which I have a lot to learn, even if seen

my deep passion for cinema and acting and a tendency to

improvisation in various contexts, I think that with a lot of work and a lot of good will sooner or later I will be able to produce something of my own.
